# Requesting New Prescription Filling through Tricare Online

---

**ARMY MEDICINE**  
*One Team...One Purpose*  
Conserving the Fighting Strength Since 1775

## New TOL Function

- Let Landstuhl Pharmacy fill your prescriptions BEFORE you visit with the Tricare Online new prescription request function
- Similar to the current drop-off system except that you can make the request remotely
- Request new/renewed rx entered electronically by your provider to be ready for pick-up the next business day after 1300
- Your medication is already filled the first time your ticket is called
- Reduced wait times are convenient AND mitigate COVID risk because fewer people are in the pharmacy lobby
- Perfect for virtual appointments and non-urgent meds
- Urgent prescriptions should be filled using the in-person process
- Currently only available at Landstuhl Pharmacy
